

Year 2 Take Home Tasks

Into the Woods

Our take home tasks this term are focusing on the arts.

Please complete at least one of the following take home tasks and bring this into school before 30th November.

Remember it's okay to work with your family members to create your take home task.

As Performers

Woodland Storytime.

Do you have a favourite woodland tale?

Record yourself telling us a story so we can play these to the class at the end of the day.

We may even share some of them with Year 1 and Reception.

Send us your story recording by email to school using info@glynne.dudley.sch.uk

As Creative Writers

Write a poem that could be about:

- The 4 seasons or just autumn.
- Woodland animals.
- Trees

Think about how you might present your poem to make it look attractive.

OR

Write and decorate a description of what it would be like to walk through an autumn woodland. Think about your senses to help you.

As Artists

Create a mask of a woodland creature so that Isaac has a friend to play with. For example: fox, badger, hedgehog or rabbit. Be as creative as you wish with a range of materials!

OR

Take photos of leaves, trees and other woodland objects. Create a photo collage with all of your snaps! Research photography art and see how creative you can be with the photos you take.

As Musicians

Create a wind chime.

Find natural objects that would make beautiful sounds as the wind blows.

Bring your wind chime into school and we can tie them to the trees around school.
