

PRIVACY NOTICE - DATA PROTECTION ACT

2026/2027 – ADDITIONAL SERVICES

The School uses information about children for whom it provides services, to enable it to carry out specific functions for which it is responsible, below are a list of services used by the school where sharing pupil data is needed.

Libresoft Librarian

Libresoft provides a self-service library management system promoting reading and information culture, motivating independent readers and learners for life whilst developing ICT skills. Libresoft provides a tool to quickly update the library information directly from the school administration system in one smooth process, establishing a dynamic read-only link that can update pupil and staff details instantly.

For further information, please refer to the Libresoft website.

If you are unable to access the website the postal address is:

Libresoft, Harrap Computer Systems, 37 Courtenay Road, Winchester, SO23 7ER

Purple Mash/Evidence Me

Purple Mash provides a range of on-line creative tools, curriculum focused applications and resources to support and inspire pupils and teachers throughout the curriculum. They are hosted completely online and are web browser driven. Access to the Purple Mash resources is through the school's learning platform provided by RM Education. Evidence Me is an app for capturing observations on the move. It improves the quality and consistency of formative assessment, while also saving educators hours of record keeping time. Photos and progress may be shared with parents via email.

For further information, please refer to the Purple Mash/2 Simple website

If you are unable to access the website the postal address is:

2Simple Software, 2-10 Baron Street, London N1 9LLs

RM Education – including Microsoft 365

School receives a number of services delivered through the ICT managed service provided by RM Education plc (RM), Smoothwall Monitoring Service.

A number of Data Processing agreements in place with RM, covering services such as RM's school management information system, RM Learning Platform. These systems make some use of personal data which is held away from school at secure data centres with the RM group.

For further information, please refer to the RM Education website.

If you are unable to access the website the postal address is:

RM Education Plc, 183 Milton Park, Abingdon, Oxfordshire OX14 4SE

Accelerated Reader

Renaissance Place is a cloud-hosted platform that gives teachers instant access to pupil data. It is through this platform that we run Accelerated Reader which is an online tool used with children in Year 4, Year 5 and Year 6 for monitoring and managing independent reading practice. The aim of the programme is to motivate children to read for pleasure. A pupil reads a book, takes an online quiz and gets immediate feedback. Accelerated Reader uses individual pupil information taken from the schools management information system. There is also an online book searching tool AR Bookfinder which is publicly available and can be used by children, teachers

September 2026

and parents to find books at the right level. Renaissance Learning also hosts Star Maths on the same platform.

For further information, please refer to Renaissance website

If you are unable to access the website, the postal address is:

32 Harbour Exchange Square

London E14 9GE

TT Rock Stars

Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice. Each week concentrates on a different times table, with a recommended consolidation week for rehearsing the tables that have recently been practised every third week or so.

This format has very successfully boosted times tables recall speed for hundreds of thousands of pupils over the last 8 years in over 14,000 schools - both primary and secondary - worldwide

For more information refer to: TT Rockstars. If you are unable to visit the website, the postal address:

Maths Circle, Ossory Office, Hazelwood Lane, Ampthill, MK45 2HF

Testbase

Testbase was formed by two teachers who, even in the early 1990s, realised that harnessing technology would make teaching and assessing much easier. They developed the first question bank used in schools so that teachers could dispense with filing cabinets of past papers, scissors and glue! GCSE and A-level databases
September 2026

for maths and sciences were soon followed by the National Curriculum Test (SATs) questions for English, Maths and Science.

For more information refer to: Testbase If you are unable to visit the website, the postal address:

2nd Floor Lynton House, 7-12 Tavistock Square, London, WC1H 9LT

CPOMs

CPOMS is the market leading software application for monitoring child protection, safeguarding and a whole range of pastoral and welfare issues. Working alongside a school's existing safeguarding processes, CPOMS is an intuitive system to help with the management and recording of child protection, behavioural issues, bullying, special educational needs, domestic issues and much more. Using CPOMS, schools can ensure that students are safe and fully supported, whilst school staff can focus on teaching and providing support, instead of administration.

For more information refer to CPOMS If you are unable to visit the website, the postal address:

Unit 7 Acorn Business Park, Skipton, North Yorkshire, BD23 2UE

Aperture Portraits

Aperture Portraits is a leading school photographer with combined experience of over 20 years.

For more information visit Aperture Portraits. Their address is Aperture Portraits, PO Box 17017, West Midlands, B62 2JX

Wonde

Wonde delivers school data from a Student Information System (Integris) and simple logins for a teachers and students. It will be used to obtain personal data from the school's management information system to ensure the management and distribution of Covid Winter Grant food vouchers and feeds data through to Accelerated Reader and SchoolMoney.

Wonde's Privacy Notice is available at this link:

<https://wonde.com/privacy-policy>

The Data Protection Officer for Wonde may be contacted by Telephone: 01638 779

144 or E-mail: hello@wonde.com

SchoolMoney

SchoolMoney is an intelligent school payments solution designed to modernise daily school functions featuring invaluable cashless school capabilities. SchoolMoney is a modern, cost-effective solution for schools and academies to go cashless and manage parental payments intuitively. With SchoolMoney's secure online payment portal, parents can pay for school dinners, uniform and school trips remotely using the app, the website or via their local Paypoint.

September 2026

ParentHub

Parent Hub is an APP, SMS and EMAIL messaging system that helps you have better communication with parents.

It enables school to reach every parent – instantly, and be confident that we have.

Schools use it to simplify their communication strategy, go paperless, and transform their whole approach to empowering parents with the information and updates that matter most to them.

For further information, refer to ParentHub. If you are unable to visit the website, the postal address is: 138 The Sharp Project, Thorp Road, Manchester, M40 5BJ

Educake

Educake has thousands of ready-to-go, subject-specific questions, designed to motivate independent learning and make homework more meaningful.

You can quickly assess individual student understanding, compare class and national averages, and identify learning gaps.

For further information, refer to Educake Ltd, Building B Hallamshire Business Park, Napier Street, Sheffield, S11 8H

Evolve

EVOLVE Advice supports EVCs and Visit Leaders to plan and deliver safe, educationally valuable, and legally compliant educational visits. Our schools and settings benefit from our depth and breadth of knowledge, our technical skills, and our first-hand experience of educational visits.

We're a small team, making a big difference:

Advice and guidance to over 4,500 schools, including MATs, independent school groups and local authorities;

Risk management and compliance oversight for international schools and governments;

Oversight of educational visit systems and approval processes;

Training for over 3,000 Visit Leaders and EVCs each year;

Audits, policy design, and critical incident support.

For further information, refer to EVOLVE Advice Ltd, The Old Bank

21 Market Place, Long Buckby, NN6 7RR

E-mail: info@evolveadvice.co.uk
